Claim Rejection 35 U.S.C. 102

The claims have been rejected as unpatentable over Roxane Laboratories. The claims have presently been amended to include the limitation of an aversive agent. Roxane Laboratories does not disclose such a composition having an aversive agent which contributes to the composition's anti-abuse nature. Applicants therefore respectfully request withdrawal of the rejections and allowance of the case.

Applicants hereby authorize the Commissioner to charge any fees which may be required or credit for overpayment for entry of this Amendment to Deposit Account No. 18-1850.

Respectfully submitted,
